**860- MOBILE HOMES**

**SO! YOU WANT TO DISPOSE OF YOUR MOBILE HOME**

HERE ARE 6 WAYS TO GET RID OF IT

- REPOSESSION:** If it's financed, you could let it be repossessed and lose everything, plus damaging your personal credit.
- ASSUMPTION:** If you permit someone to take over your payments, it is just like renting your home to them and is risky at best.
- SELL IT YOURSELF:** If you are lucky enough to find a cash buyer, this is the best way to solve your problem. Getting your used mobile home financed is a major problem.
- LIST IT WITH A REAL ESTATE COMPANY:** If you can find one with a license to sell mobile homes, and that has a salesman with mobile home experience and mobile home financing available.
- LIST IT WITH A MOBILE HOME DEALER:** If you want to put your home in competition with the dealer's own units; that speaks for itself.
- LIST IT WITH BLAZER M.H.B.:**
  - We are a licensed, insured and bonded dealer.
  - We have no sales lot and own no mobile homes of our own. Our only business is selling yours.
  - We qualify the buyers before we show them your home as to down payment and monthly payments.
  - Our financing is as good as any dealer.
  - We are licensed with Marcus Realty to handle real estate or real estate trades.
  - We have professional appraisals available, (for a fee) so you'll be assured of the true value when you're selling your mobile home. However, an appraisal is not a requirement for listing your home.
  - We handle the closing transaction on the sale of your mobile home as concerns the prorating of taxes, space rent, etc., and title transfers.
  - We are the only exclusive mobile home brokerage company in Oregon.
  - We can handle trade-ins of all types, such as furniture, guns, boats, cars, real estate, airplanes, whether they are paid for or not.
