SANDY, OREGON, THURSDAY, AUG. 16, 1973

## A Special 'Thanks'

Sandy can be proud of its parade Saturday.

From all reports, it was one of the best parades ever put on by a small community in the state.

Congratulations must go to all those who put so much work in on the preparation and running of the parade.

One person who deserves special 'thanks' from the community for his outstanding effort on the parade is

Gary Sandblast.

Sandblast has given much of his time for the community this summer as the head of Sandy Civic Services, Inc. This organization not only was responsible for the tremendous Centennial parade, but also is in charge of the annual July 4 celebration.

Sandblast and the many others who have helped sponsor the many Centennial year events all deserve a big 'thank you' from the community.

## Mountain Waits for Overall Plan

The Clackamas County Planning Commission gave its support to the Mt. Hood Community comprehensive plan. This is the first step to be taken to give some planning guidelines and restrictions to the mountain area.

The plan has been in the making for over two years and many arguments both pro and con have occurred during this period.

The county planners in adopting the plan, have tried to make the plan restrictive by adding some seven pages of amendments which were said to "strengthen the plan."

The major flaw of this plan is it

covers ONLY an area of 85,000 acres in the Mt. Hood area. This is only part of the total 150,000 acres in the Mt. Hood area.

Planning guidelines are needed for the whole mountain area, not just certain sections.

The interagency planning study now underway of the Mt. Hood region proposes to include this total area in a planning study.

It will be interesting to watch and see how and if the just adopted county plan for the Mt. Hood area fits into the overall plan which is expected to be completed within three years.

## Another Petition Drive Under Way

Shades of 1971... a petition drive is under way to get 26,656 signatures seeking referral of a legislative action to the voters.

In 1971, it was city-county consolidation which was target of the petition drive, a drive that barely failed.

This time it's legislative action annexing Clackamas and Washington counties to the Port of Portland without approval by the voters.

Not very many people disagree with the Port's ambitions to broaden its tax base. But a whole lot of people think they should have the right to decide at the ballot box.

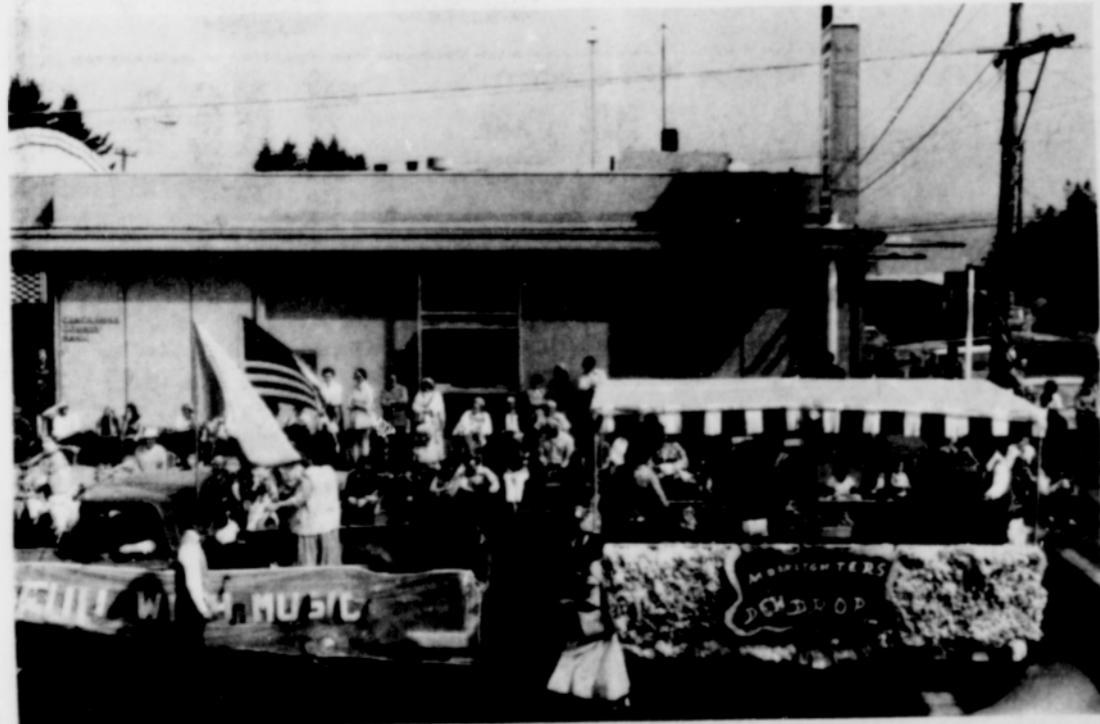

An inconsequential tax levy is involved. It will cost a person with a \$20,000 house only \$3.20 per year more in taxes. But as the man said, it's not

the price, it's the principle. People should have a chance to vote.

If the petition drive is successful, it will be on the Nov. 1974 ballot, statewide. The Port figures that about \$1,000,000 per year can be generated from taxpayers in Clackamas and Washington counties.

Residents of Multnomah county will have a difficult choice. They may get a reduction in their own Port taxes if the load is spread more widely... i.e., over Clackamas and Washington counties. But on the other hand, they may not be wild about legislative fiat which spread taxes without a popular vote.

It should be an interesting campaign. We'll gladly sign a petition if proffered.

THIS FUN With Music float was given third place in the Civic Organization Float class. This was one of the many floats in

the Sandy Centennial and Barlow Road Days parade which had music being played.

## Telephone rate hike imposed

Pacific Northwest Bell imposed a rate increase Monday when the federal price freeze was lifted.

One-party residential rates went up from \$7.10 to \$7.25 and one-party business rates went up from \$19.75 to \$19.90.

Rates on intrastate calls of more than 40 miles were also increased.

This rate hike was approved about a month ago but was stopped by the federal price freeze.

The increase will have little effect on General Telephone subscribers in the Gresham area except on long distance calls.

General Telephone got its

rate increase approved before the price freeze.

### Portland man

On Aug. 12, the Sandy police arrested Stephen T. Adams, 23, Portland, for driving under the influence of intoxicating alcohol.

He is now awaiting trial.

"It's not; 'IF THE SHOE FITS,'"

It's "WE WILL WEAR IT WHETHER IT FITS OR NOT."

## LETTERS TO THE EDITOR

To the Editor:

The success of the Sandy Centennial and Barlow Road Days parade is attributed to many individuals who spent many hours of volunteer labor.

I wish to thank all the parade participants, clubs, organizations, businesses and everyone else who helped contribute to the success of the parade.

I wish to make special recognition to the following for their extra effort:

Jerry Swails, Mrs. Florence Schmitz, and Fred Punzel. Also to the Boy Scout troops from the Latter Day Saints Church and the Cottrell Community Club.

A very special thanks goes to Mrs. Marie Schwartz, Mrs. Betty Hartman, Mrs. Diane Pearson and Mrs. Lynn Ellis whose help Saturday morning got the parade moving on time.

Also to the three boys who worked all night watching and helping the morning of the parade, Phil Synder, Tim Smith and Robbie Strum.

Like the fourth of July, another outstanding job was done by the Sandy Police force and also helping tremendously was the Clackamas County Sheriff's officers. The tremendous work done by them in directing traffic during the parade and also in helping with the parade is gratefully appreciated.

Thanks to Pete Carlson of Carlson Chevrolet for the use of his four vehicles in the parade.

Thanks to the judges who had a very tough job picking prize winners. And Dan McDonald who was announcing at the review stand.

Thanks goes to the Lutheran Church, Glos Ford, Sandy Funeral Home and Sandy High School District for the use of their facilities.

And of course, thanks to the Sandy Post for its coverage and support.

Again thanks to everyone. Gary Sandy Sandblast President of Sandy Civic Services, Inc.

To the Editor:

I would like to offer a very special thank you to Mr. Gary Sandblast and his assistants for the excellent way in which our Sandy-Barlow road centennial parade was handled.

In spite of late and unregistered entries, every entry was given a number and a place in our parade.

The parade was well organized from start to finish and whether you were a participant or just a spectator, it made you feel pride in knowing our area had put on a parade, that in my opinion, actually ran as smooth as any parade I have ever seen.

So, to you Mr. Sandblast, a special Thank You, for a job well done.

Mrs. A.C. Espersen II  
P.O. Box 671  
Sandy

## Veteran van helps vets

Veterans needing answers on benefits offered through the Veterans Administration office can get on-the-spot help at Gresham Mall Aug. 30.

The new National Assistance for veterans mobile van will be parked at the Mall from 10 a.m. to 5 p.m. staffed with counselors who can help with any questions.

THE SANDY postmaster John Metzger and Sandy mayor Melvin Haneberg got special recognition during the Sandy Centennial and Barlow Road Days parade.

## Art show scheduled

An all-comers, all media art show is scheduled for the month of August at Mt. Hood Community College.

Dates for the exhibit and sale extend to Aug. 31.

Arts and crafts of every nature will be on display—from ceramics to quilting, flower arranging to sculpture, oils to water colors.

Area artists and craftsmen are invited to exhibit two works which have not been displayed at MHCC in the past. A grouping is considered as one item.

Art works must be properly prepared for exhibit and priced

for sale. The exhibits are housed in the MHCC student center, viewing hours are 8 a.m.-5 p.m., Monday through Friday.

For further information, call 666-1561, ext. 260.

## Yearbook party set

The annual yearbook autograph party for Gresham High School is scheduled for Wednesday, Aug. 29 at 7 p.m. at the high school cafeteria.

Students who have purchased a yearbook may pick them up at that time.

## Fischer finishes training

Coast Guard Airman Scott D. Fischer, son of Mrs. Mary E. Cornelison of Route 1, Boring, has completed the Aviation Electrician's Mate School here. Aviation electrician's mates inspect and maintain aircraft instrument and electrical systems.

Aug. 14	81	55	.00
Aug. 15	84	51	.00

The Troutdale station weather readings are made by 5:30 p.m.

## Storm causes power shortage in Sandy

Parts of the city of Sandy were without electricity for about an hour and half on Aug. 12. The loss of electricity was caused by lightning striking a power pole at the corner of 1st St. and Proctor Ave.

The Sandy Fire Department answered the call and several others that night during the storm.

On Aug. 10, the fire department was called to wash down an oil spill at Sandy Oil Company.

On Aug. 11, the local firemen responded to a minor brush fire at Rt. 1 Box 343B, Wilkerson Rd. The fire was out on arrival of the fire equipment.

The fire department also answered to a call on Aug. 12 for a car fire in the parking lot of KBK restaurant. Minor damage to the car was reported. The car was owned by Mr. Lemrick, Rt. 1 Box 343B, Boring.

## Troutdale museum

Preparing for an Aug. 26 open house of their museum are members of the Troutdale Historical Society.

The museum building will be opened as part of a city-wide picnic at the Troutdale park on the Sandy River.

President Alex Jones announced the Society has installed show cases. Interior painting of the building is near completion.

Society members will sell candy, coffee and bazaar items at the open house.
