

Nell's Notes

By NELL HOWE
Hood-Land Reporter

So very sorry to hear that Hettie Blaisdell fell last Sunday and broke her hip. Hettie is in the Good Samaritan Hospital. We wish her a speedy get well, and hope she will be able to come home soon.

Linda had a call from Naomi and Walt and they were in Dover, England, at that time, and on their way to Amsterdam.

Spent Monday evening with Larry and Susie Gano hearing about their fabulous trip.

On July 30, Larry and Sue and their three children took off for a boat trip along with Steve and Carol Haug and daughter Carol. JoAnne Tilton of Government Camp, Jamie Machado and Russ and Carol Konell and daughter Rhonda. The group took their boats to

Coronet Bay and Whitby Island. They took a 17 day cruise from Whitby Island to Toba Inlet. This is the headwaters of the glaciers in Canada.

Bob and Helga Finn and daughters Gundrun and Austig joined the boaters after the third day of the trip.

The weather was perfect and they caught all the fish, clams

and crabs they wanted. It was just a matter of dropping a line in the water, according to Larry.

While in one port, they saw this huge yacht moored. They found out it belonged to John Wayne so they spent a great deal of time with the glasses turned on the yacht.

When they went through customs, they signed in as the

Mt. Hood Yacht Club. Wonder if they would let us and our canoe join?

Going through Deception Pass, because of the beastly current, and the whirlpools, Russ, whose boat was heavily loaded and had a much smaller motor than the others had to be towed by Steve. Should have copied Susie's diary and published the whole thing, it

makes quite a book. Saw their pictures and some beautiful scenery.

Had a call from the fire department to the home of Al and June Anderson, who have a cabin in the Woodlands. Al had had a stroke and had to be taken in to Veterans Hospital. We hope Al will be on the mend real soon and will be able to return home.

Pat and Eastel Brewer and family are moving this week to their new home in Sparks, Nev. Eastel has been transferred there and of course he wants his family with him. We will miss them all, and know the bank is going to miss Pat.

Our very best wishes to them in their new home. At least they aren't so far away that we won't be able to see them once
