

## Two win awards in leathercraft

Two area 4-H youngsters took home honors in leathercraft at the state fair competition. Exhibits ranging from billfolds to purses to gun cases to a director's chair are being shown by Oregon 4-H members enrolled in leathercraft at the fair.

In fact, it is one of the largest 4-H leathercraft displays ever mounted at State Fair, reports Duane Johnson, Oregon State

University extension 4-H and youth specialist. During the past year, enrollment in the 4-H leathercraft project increased markedly and Johnson predicts further growth in the coming year.

Paula Miller, Sandy, made a large purse featuring a dark brown finish to claim the championship ribbon in leathercraft III, in which 4-H members learn how to add hardware to their leather goods.

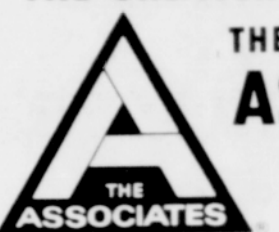

John Forbes, Wemme, won in leathercraft I competition.
