

Football players honored; Blazer clinic slated

The Sandy High School football team was honored Tuesday following their win over Newberg. The Sandy Area Chamber of Commerce invited the seniors and head coach Forest Allen for lunch.

Allen presented the players to chamber members and gave a short talk referring to the upcoming game with Canby here on Friday night.

The Chamber was slated to have officials from the Portland Trail Blazers, but this was cancelled when it was

agreed to hold a clinic later in the year.

The Chamber will host the Trail Blazer clinic late in October and in the evening at the high school. Both players and coaches from the NBA team will put on the clinic for local youngsters.
