

## Women golfers install officers

Mountainview Women's Golf Club had its Christmas luncheon Dec. 11.

Officers were installed by Olive Smart, outgoing president. They are:

Vada Busby, president; Dolores Jarrett, vice-president; Mary Anne Storey, tournament chairman; Charlotte Kogle, secretary-treasurer; Claudia Courtain, handicap chairman; and Joyce Case and Lou Chianello, hostesses.

Installed as 18-hole club president was Evelyn Painter. The new officers will take over in March.

Lil Johnson, senior member of the group, was honored for having a hole-in-one on the 12th hole. This is her ninth year of play.

Prizes for the most recent blind partner tournament were announced. They are: Vada

Busby and Jerrie Wolfe; Dolores Jarrett and Adeline Lundstrom; and Alice Baker and Alice Cummings.

If the Watergate scandals reveal weaknesses in our popular government, they also reveal its chief strength: The built-in correction mechanism of our separation of powers. This is no time to be cynical. Historically, curative action has followed revelations of our faults.—Arch Booth, U.S. Chamber of Commerce.

Use shiny baking sheets. Dark sheet absorb heat readily and cookies may burn on the bottom.

If you grease cookie sheets, grease them lightly. Too much grease causes cookies to spread and burn on the bottom and edges.

## Goodwill truck slates stop

The truck from Goodwill Industries will come to the Damascus-Boring-Estacada-Sandy area on Tuesday, Dec. 18, to pick up donations of furniture, appliances and household goods from those wishing to give these repairable items to Goodwill.

Call Goodwill direct at 234-0321, who will see that the truck comes to the door of your home or place of business.

Your contributions of repairable items create work and job training for the handicapped at Goodwill. Your shopping the Goodwill stores provides the wages and operational costs and supports the rehabilitation program.

Cool baking sheet before placing unbaked cookies on it. Hot baking sheets melt shortening in dough causing cookies to spread too much during baking.

## Sandy Trail Riders news

By CHERYLL LUSK

Sandy Trail Riders had their second meeting at the home of the Lusks. We are going to have a Christmas party, Dec. 22 at Bev Muck's home. We will have Christmas presents too.

We decided to hold our business and study meets at the same time, because of the gas shortage.

We had a successful bake sale, which we held Nov. 17 at the Gresham Mall. Our next meeting will be at Bev Muck's home, Dec. 17.

These baskets include both food and presents for needy families in the Boring-Sandy-Hoodland area. Donations of toys, canned

foods, gifts and other items can be dropped at both the Sandy and Boring fire stations and the Community Action Center in Sandy.

The canned food drive at Sandy High School which helps this cause is being headed by the Key Club. This drive will conclude on Dec. 19.
