

Sandy pioneer celebrates birthday

THIS VALENTINE box of candy was an appropriate gift for Adolph Kotzman's birthday last Thursday, Feb. 14. He was 96. (Post Photo)

Adolph Kotzman, who was born in a log house on the Bluff Road in Sandy, turned 96 years old last Thursday, Feb. 14.

The nonagenarian, described by his wife Margaret as "one of Sandy's first pioneers," has spent most of his life in the Sandy area.

Kotzman grew up on his father's farm where Roslyn Lake is now located. When he was nineteen, he moved to Prineville to farm, and then to Yachats, before returning to Sandy in 1939.

The 96 year old Kotzman is active and healthy, except for a hearing loss. Mrs. Koyzman attributes his longevity to "taking care of himself."

"He's never drank or smoked," she declared. "He still gets out and takes care of the lawn and gardens. He gets tired, but will be right back out the next day."

"The neighbors can't understand it," she added.

Kotzman, who has outlived five younger brothers, has many memories of the early days in Sandy.

"He insists that there were eight inches of snow on the ground the day he was born," she laughed. "I like to ask him how he could see it!"

"Another thing he remembers is selling his farm at Roslyn Lake for \$1,800," continued Mrs. Kotzman. "Things were a lot different in those days."

ADOLPH KOTZMAN, who spent many of his 96 years in the Sandy area, moved with his wife, Margaret, to a home in Boring about a year and a half ago. (Post Photo)

The Golden Age Club enjoyed a colorful and interesting party last Thursday at the Odd Fellows Hall. Sixty members and friends were in attendance to welcome the Mt. Hood Community College Madrigal Singers who gave their usual fine performance. The Madrigal group with their range of voices and harmony was most enjoyable.

Following dinner and a short business meeting a drawing for door prizes was held with Carl Sandstrom Sr. and Ida Quay the lucky winners. Mrs. Helena Wessellink was in charge of door prizes.

Everyone brought a valen-

tine which was deposited in a colorfully decorated box, made by Martha Williams. The drawing of valentines were held up for all to see and their verses read. The valentine theme was carried out in the table decorations, door and bingo prizes. Our thanks goes to Evelyn Anderson and her helpers for the dainty valentine table decorations and prizes.

Word comes from those who are away for the winter that they are enjoying life in the south but will soon be home again.

The wall paneling and the texture painting of the ceiling is progressing and makes a great improvement to the interior of the Odd Fellows Hall.

We are very grateful for the consideration of future plans given senior citizens by the city council at a recent meeting and look forward to future developments which will give interest and assistance in behalf of the elderly.

The Sandy Golden Age Club will sponsor a free hearing clinic at the Sandy Immanuel Lutheran Church on Thursday, March 7, between the hours of 1 and 4 p.m. The Portland State University Auditory Rehabilitation Mobile Unit with certified audiologists performing the screening tests will be there. All senior citizens who have or think they have a noticeable hearing loss are welcome to avail themselves of

this service. Put the above afternoon on your calendar now and watch the news media for further information. More detailed information will be announced at the next Golden Age Club meeting on Thursday, Feb. 28.
