**AT SIZZLER WE
BACK EVERY BITE!**

Our spacious and comfortable interior

We're Sizzler, and we know the steak business.

Sizzler started sixteen years ago with the simple idea of offering a limited menu of steaks and hamburgers at prices nearly everyone can afford. Today, there are more than 230 Sizzler Family Steak Houses operating successfully from Long Island, New York to Oahu, Hawaii serving over a half million steaks a week. Our know how and buying power results in better values for our customers.

Besides being good at what we do, our service is fast and the atmosphere is informal, yet comfortable. We have special planners for even lower prices for children. All the coffee you want can only cost you 20c. Come look us over. Bring the family for dinner or the gang at work for lunch. We'll do our best to please you and if you're wondering about the tip, forget it. Tell your friends about Sizzler; that's the kind of tip we like.
