Murray Chevrolet

CHEVY TRUCKS

Big Selection - Big Savings

HIGHWAY: 27 MPG

As reported in the EPA Buyer's Guide, Chevy LUV got 27 mpg in the highway test and 19 mpg in the city test. Here's more on LUV. It has a peppy four-cylinder overhead cam engine, standard. Also standard—torsion bar front suspension, four-speed manual transmission and power brakes. Chevy LUV adds up to a lot of economy and value. And the good deals at Murray Chevrolet add up to a great time to buy. Right now.
