of the people,
by the people,
for the people

We're concerned where YOU'RE concerned . . .

about problems like excessive property taxes which affect owners and renters alike. We're constantly working to ease your tax burdens by speaking out to legislators at all levels of government . . . by supporting legislation and candidates who acknowledge the rights of ownership as well as the responsibilities . . . by calling for increased revenue sharing.

And we're concerned about other issues. You'll find REALTORS® fighting inflation by helping you to own your own home . . . by upholding everyone's right to equal opportunities . . . by working to make America better in every way.
