TRACTORS
BUILT LIKE
FARM TRACTORS.**

- Operate wide range of year 'round attachments. Front, center and rear power takeoff applications.
- A range of powers with transmissions to match—8, 10, 12, 16 and 19½ hp. There's a fit for your kind of chores.
- Built tough. Built easy to handle. To keep working at peak output year after year.
- Flip-up hoods and rear decks make routine maintenance even more routine.
