

THE swings that were never in the schoolyard—Tony Huiras (left) and her brother Greg fly on the giant swing ride in the midway.

Golf winners announced

Winners of the Mt. View 18-hole women's club EK tournament were announced Wednesday by Lil Johnsen, president.

Top finishers include: A flight; Donna Long, first, low gross; Marion Sutton, second; and Evelyn Painter, third. Clara Marchbank, first, low net; Elinore Reed, second; and Char Kogle, third.

B flight; Ann Crawford, first, low gross; Shelly Smart, second; Lil Johnsen, third; and Lois Courtain, fourth. Dorothy Olbrich, first, low net; Lois Langan, second; Mary Wetzel, third; and Rea Janes, fourth.

"WHY, Julie—a new car? How do you manage it?"
"Oh, anyone could, when the car costs as little as a Chevrolet does."

It's quite natural for women to gain the impression that the Chevrolet Six costs considerably more to buy and to run than it actually does. For women are always quick to recognize quality when they see it. And when they notice Chevrolet's smart styling—its luxurious Fisher bodies—its other quality features—many women immediately assume that a Chevrolet Six is financially beyond their means.

The truth is—of course, this popular six is decidedly the most economical car to own of any you can buy today. Almost any American family of modest means can afford one. Afford to buy one—because, on account of new reduced prices, Chevrolet's first cost is now lower than it ever was. And this cost may be divided into a convenient number of small monthly installments by means of the liberal G.M.A.C. time-payment plan. Afford to run one—because Chevrolet operation costs are the very lowest anywhere. The slimmest of household budgets can easily take care of Chevrolet's gas and oil expense. Also—Chevrolet has a smooth six-cylinder engine, free from wearing vibration, to hold down maintenance costs. And every part of the car is built so well, to such advanced standards, that Chevrolet is less likely than any other low-priced car, to require service.

So, if you too have the idea that your family cannot afford a Chevrolet Six, look up Chevrolet's new reduced prices, and talk to your friends about Chevrolet running costs. You'll discover, to your surprise, that you can manage perfectly with a Chevrolet Six in the family. It's actually America's most economical car.

Congratulations Jerry and Julie
Here's to a happy life together.

668-4101 SANDY Open Sunday & Evenings

ABOVE: EVEN the pigs deserve a rest every now and then. Tuesday was nice and warm enough for a pleasant mid-evening nap. LEFT: Bob Irwin of Canby supervises as his children Keith and Kimberly check out the slide in the children's playground.

Johns graduated from bank school

Ron Johns, Manager, Hoodland Branch, Clackamas County Bank, was graduated Sunday from the Northwest Intermediate Banking School. Commencement exercises concluded with an address by Dr. Paul S. Nadler, Professor of Business Administration, Rutgers University.

Johns was presented his diploma by Johan A. Mehlum, president, Siuslaw Valley Bank, Florence, Oregon, chairman of the school, and John Hagopian, director, North Pacific Bank, Tacoma, Wash., school administrator.

This was the founders session of the Northwest Intermediate Banking School. (N.I.B.S.) This school was sponsored by the Oregon Bankers Association and the Washington Bankers Association. The curriculum was designed for the banker who is currently in mid-management.
