

RE/MAX EAST

BACKYARD VIEW.

FOREST FORTRESS \$69,900

Absolutely HUGE! Five bedrooms plus a den, 3 full baths and even a second kitchen off the party room downstairs. This absolutely impeccable home was custom built for the owners four years ago, featuring true double wall construction with cedar siding and heavy cedar shake roof. It was especially designed to retain the natural beauty of the numerous existing trees. The rooms are all large and particular attention was paid to creating a bright "openness" feeling as one enters each room. The nearly 3/4 acre grounds are beautifully landscaped and includes a vegetable garden, flower gardens, and plenty of running room for pet ducks on the lawn. The only sounds you're able to hear is an occasional "Fore!!!" from the Pleasant Valley Golf Club located but three blocks from your new home... If you call RIGHT AWAY! Richard Vego at 256-3923 or 281-2435 evenings.
