AUTOS AND MORE!

GET IT HERE!

Pounded pavements near and far  
To find a real good used guitar  
Then gave up searching far and wide  
And ran an ad in Classified . . .  
So quickly did I get replies  
One little ad sure made me wise!  
Instead of moon and June and brides  
I now sing praise of Classifieds.

**930 - AUTOS**
