INTRODUCING

It's different from
motor oils you've used before —
it even looks different!

ARCOgraphite is a
genuine petroleum base oil—
not a synthetic.

Tests show up to
23 more miles per tankful
of gasoline.

ARCO

**ARCO
GRAPHITE
MULTI-GRADE
MOTOR OIL**

If you're not using ARCOgraphite, you may be wasting gas.

****IF YOU'RE NOT SATISFIED,
WE'LL PAY THE DIFFERENCE
IN THE COST OF MOTOR OIL.**
When you need an oil change,
change to new ARCOgraphite.
If by the time of your next oil
change you're unhappy with
ARCOgraphite, switch to another
oil. Atlantic Richfield will pay
you the difference in cost be-
tween the two equal amounts of
oil used for each oil change
excluding itemized labor and
parts. Send proof of purchase
for both the ARCOgraphite and
the Brand X oil changes, along
with your name, address, and
car's license plate number, to
Atlantic Richfield Company,
Lube Oil Sales, 515 South Flower
St., Los Angeles, CA 90071.
This offer good for one refund
per license plate number and
is subject to the limitation that
the ARCOgraphite is purchased
prior to Dec. 31, 1977. All
requests for refund must be
postmarked by June 30, 1978.
Void where prohibited by law. If
you need to add oil between oil
changes, for optimum results we
recommend the addition of
ARCOgraphite.

*This extra mileage is based
on statistical evaluation
of a consumer fleet test run
for 300,000 miles of city,

suburban and highway driv-
ing. It is also based on an
8.7% mileage improvement,
assuming the average car
gets 14 miles per gallon, has
a fuel tank capacity of 19
gallons and uses a conven-
tional motor oil. Based on
a 95% confidence level, our
tests achieved between 1%
and 8.7% mileage improve-
ment, with 4.8% being the
average mileage improve-
ment. Individual benefits may
vary depending upon tank
size, current fuel economy,
type of vehicle and driving
habits. Additional informa-
tion regarding our tests will
be furnished upon request.
