My plan to save money
Did not do so well,
I almost broke my neck
When I fell
From a ladder I had
No business to climb
Spilling paint on the rug
But it's lucky that I'm
Alive to relate
Another sad tale —
With my color blindness
I got the wrong pail
And, instead of a color
My wife idolizes,
One half of a room
Is in one she despises!
The point of this narrative's
Plain to see —
We can't all
do-it-yourselfers be!
