Model RG-35

Frigidaire makes oven cooking automatic; a glass door makes it easy to see how dinner is coming along.

You can cook an oven meal, even while you're away from home, thanks to automatic Cook-Master controls. And a glass window in the oven door lets you check on cooking progress without opening the oven door and losing heat.

Model RE-36

Frigidaire makes your day a little easier with automatic Cook-Master controls and an oven that can clean itself.

Enjoy timed, automatic cooking and put an end to the time-consuming drudgery of oven cleaning. Cook an oven meal, even while you're away from home, thanks to automatic Cook-Master controls. Then enjoy the freedom that comes from an Electric-clean Oven that can clean itself.

The microwave oven that cooks meats to perfection!

MODEL RR-8

Amana Radarange
MICROWAVE OVEN

with Automatic Temperature Control System and Cookmatic Power Shift™

It's the breakthrough in microwave meat cookery everyone's been waiting for.

Amana's Automatic Temperature Control System cooks meats and many other foods to the temperature you select with remarkable accuracy. Gives you meats more moist and tender than ever before possible in a microwave oven. Enables you to cook food to desired temperature and hold at that temperature until you're ready. Lighted scale automatically shows actual temperature of food, as well as temperature you've selected.

Cookmatic Power Shift — lets you cook different foods at different speeds. Change cooking speeds instantly—even as you cook. Puts you in full control

Plus all these other quality Amana features:

- **875 watts of Cooking Power**—cooks almost everything in 1/4 the usual time.
- **A real energy saver!** Uses 50% to 75% less electricity than a conventional electric range.
- **Stainless steel interior**—won't rust or corrode.
- **Automatic defrost range** on Cookmatic Power Shift.
- **See-thru window and interior light.**
- **Pull-down door design**—easy entry from either side. Chrome-plated zinc diecast door.
