Eve's Buffet Home Style Soups

Sometimes all you need to take the edge off hunger is a quick bowl of soup. We think our old fashioned "scratch cooking" method makes a great bowl of soup. Hearty soup stocks are simmered in the kettle, then carefully blended to perfection. Our creamy sauces are slow cooked and blended into one of the tastiest cream soups available. Our Master Chef watches over the cooking of each batch of soup . . . just like you would do at home. Try a bowl today!
