Dear Timber Festival Visitors,

On behalf of the citizens of Estacada, it is my pleasure to welcome you to our City and the 1978 Estacada Timber Festival. Whether you are a competitor or spectator, you will discover why this eleventh annual festival promises to be the most exciting festival ever! Volunteers from the community have spent hundreds of hours organizing the event.

There is something for everyone at the festival, from the professional timber events to the carnival rides, to provide you and your family with fun and excitement.

You will find Estacada to be a friendly community. I invite you to take some time and look us over!

We are happy to have you here and hope you will come back soon.

Sincerely,
Michael G. Park
Mayor
