

Rhonda Henry

Rhonda Henry's favorite Timber Festival events are the log rolling and speed climb and the Saturday night dance.

In addition to watching her favorite events, Rhonda, like all court members is selling buttons for the Timber Festival.

When not participating in the festival court, Rhonda works part time at the Ben Franklin store in Estacada as a check out clerk.

She is planning to attend Mt. Hood Community College in Gresham for one year and later transfer to Oregon State University in Corvallis to study pre-dentistry.

The 1978 Estacada High School graduate likes to ride and show horses. Her family raises Arabians and Rhonda has two horses. One is a seven year-old mare called Fawn that is half Arabian, and the other is a three-fourths Arabian gelding called Surya.

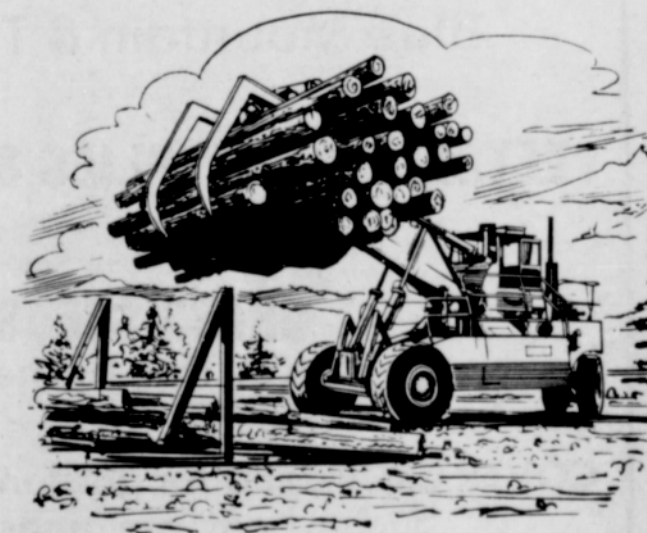

Rhonda, who qualified to show at the state fair last year, says she hasn't shown her horses much this year due to Timber Festival activities, but she is hoping to show at the Clackamas County fair next month.

She is the daughter of John and Dianne Henry of Estacada and has one sister, Becky, 14.
