

Emporium corduroy ... a dash of Annie

Start with this fall's corduroy pants. The ones with the new edited down legs—daringly straight and narrow. Then, add a touch of Annie Hall for good measure. Try a news-boy's cap, a plaid shirt, a man's vest, a tie, suspenders or argyle socks. It all adds up to the new, fashionably-disheveled look. It's loose, it's care-free, and it's you, juniors!
