Big-city features in a Small-town Theater

Bill Davis about a year and half ago purchased the Estacada Broadway Cinema, and has not stopped making changes since. Bill's philosophy is "offer the best at the lowest possible price." This means Estacada now has first run movies a Dolby stereo sound system, a brand new screen and a computer automated projection system.

Estacada Broadway Cinema is more than a movie house. It's a place where you can choose from a stock of 1500 top pop, rock, country and sound track and tapes. This makes it Estacada's largest record outlet with super everyday discounts, for example a top \$7.98 album or tape sells for \$4.99. Christmas shoppers take note, plus if there is a young person in your family, Mr. Davis has a private discount club for football and video games. Memberships are available for only \$15.00 per year.

If your "dogs" are tired this holiday season, why not catch a film at the Estacada Broadway Cinema? Bill, his wife Gene or daughter Sandy, may meet you at the ticket booth, buy a bag of popcorn, sit down and relax and enjoy a first run film.
