

Last minute adjustment

DEANA WOODCOCK, a first grader at Firwood School, gets a final touch-up for her Santa costume from her father.

Deana appeared in Firwood's Christmas program last Thursday night at Sandy Upper Grades' gym.

Roses need care now, according to agent

Roses need a bit of attention before winter sets in, advises Ray McNeilan, Oregon State University Extension home gardening agent.

Both the rose plants and the rose bed can use some care. "As the rose blooms fade, prune the plants to approximately two feet in height," said McNeilan.

are still on the ground should be raked up and discarded. "Don't put them in the compost pile, or you risk spreading the disease even more," McNeilan said. "Instead, put them in the garbage, or burn them where local regulations permit."

McNeilan recommends spreading an inch of bark-dust for mulch.

GIFT IDEAS FROM RIEGELMANN'S Frigidaire

Frigidaire makes oven cooking automatic; a glass door makes it easy to see how dinner is coming along.

You can cook an oven meal, even while you're away from home, thanks to automatic Cook-Master controls. And a glass window in the oven door lets you check on cooking progress without opening the oven door and losing heat.

Model RG-35

100% Frost-Proof convenience eliminates the messy, time-consuming chore of defrosting.

Efficient Frigi-Foam insulation helps conserve energy by locking cold air in, warm air out.

Moist Controls allow you to adjust the amount of humidity in each Vegetable Hydrator.

Reversa-Doors make it easy to hinge your refrigerator to open from either side.

FPE-17TSB

Amana

The microwave oven that cooks meats to perfection!

It's the breakthrough in microwave meat cookery everyone's been waiting for.

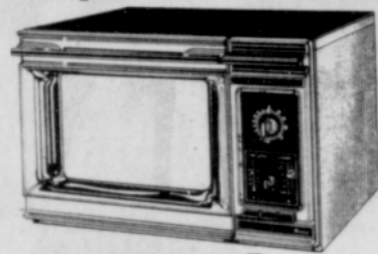

Amana's Automatic Temperature Control System cooks meats and many other foods to the temperature you select with remarkable accuracy. Gives you meats more moist and tender than ever before possible in a microwave oven. Enables you to cook food to desired temperature and hold it at that temperature until you're ready. Lighted scale automatically shows actual temperature of food, as well as temperature you've selected.

Cookmatic Power Shift lets you cook different foods at different speeds. Change cooking speeds instantly—even as you cook. Puts you in full control.

Plus all these other quality Amana features:

- 675 watts of Cooking Power—cooks almost everything in 1/2 the usual time.
- A real energy saver! Uses 50% to 75% less electricity than a conventional electric range.
- Stainless steel interior—won't rust or corrode.
- Automatic defrost range on Cookmatic Power Shift.
- See-thru window and interior light.
- Pull-down door design—easy entry from either side. Chrome-plated zinc diecast door.
