IT HAPPENED ONE CHRISTMAS

'It Happened One Christmas' will have an encore showing as 'The ABC Sunday Night Movie,' Dec. 24. Mario Thomas (pictured) stars as Mary Bailey Hatch in the story of a remarkable young woman and a loveable apprentice angel who team up to make a miracle.

Also starring are Orson Welles as the greedy banker, Mr. Potter; Cloris Leachman as the angel; and Wayne Rogers as George Hatch, Mary's devoted husband, the father of their children and her business partner.

On Christmas Eve, the joyful townspeople of Bedford Falls bustle home with gifts for the holiday. But Mary has been threatened with financial ruin by the crusty Mr. Potter. He has ordered a surprise audit of the Bailey Building and Loan, the last bastion of financial independence for the townspeople from the merciless banker.

Despondent and fearing the demise of her town, Mary is visited by guardian angel Clara Oddbody, Angel Second Class, who gives her a most precious gift: a startling look at what the world would be like with Mary Bailey Hatch.
