

The INCREDIBLE Ad Medium

There's Only One
Ad Medium Designed
For Individuals to
Contact Each Other...

... CLASSIFIED

Classified advertising is the only medium used daily by millions of people like you and I. It's the only advertising medium made affordable to the average person. So anyone can use it to advertise anything from a bicycle to a half million dollar home. The classified columns are advertisements from people to people. People who have needs to be filled, problems to solve, these people have discovered how easy it is to get things done by reading and using classifieds daily. They use the classifieds to find better jobs, to locate the home that offers better living, to find the best car values in town! Classified is the smart way to save time, effort and money! This incredible medium is easy to use, just call the number below to place your result-getting ad. A friendly ad-visor will be glad to help you!
