

**Mervyn's Dept.
Store Open
Sept. 28**

Eastport Plaza Shopping Center is proud to announce the opening of some exciting new shops with the completion Sept. 28 of its new North Mall addition.

Separate from the North Mall annex will be a new department store called Mervyn's, which will open at the former Lipman's store location. Mervyn's has planned openings for three Portland area locations simultaneously in September.

The new store will feature clothes, shoes and accessories for men, women and children, as well as miscellaneous items for the home.

The North Mall annex will house new shops whose tenants are to be announced in the near future.

...JUST THINKING...

Consider this: "God has never put anyone in a place too small to grow." Wherever our place may be — on the farm, in the office, behind a counter, at a teacher's desk, in a kitchen, wearing a uniform, or caring for a child — when we fill that place to the best of our abilities, personal growth is inevitable.
