

## Willoughby's Names Permanent Manager

Nancy Winings has been named the permanent manager of East-

port's new Willoughby's Beauty Products. A licensed cosmetologist,

Nancy worked as a beautician for eight years. Originally from Missoula, Montana, Nancy has also worked in retail sales. She says she loves it.

Her goal at Willoughby's is to provide as high a level of service to Willoughby's customers as possible. One thing she likes about the store is the tremendously high quality of merchandise Willoughby's sells. According to Nancy, many of them are available

normally only through beauty shops. They're the "cream of the crop" she says.

Nancy and her husband, Ronald, who works for the National

Oceanic and Atmospheric Administration as a meteorologist, have five children and two grandchildren, both girls. Cake decorating, crocheting and knitting are among her hobbies.
