Penney's: Schimmel Retires; Bowden Named Manager

Ever since graduating from the New York University's School of Retailing with a Master of Science degree, which followed his graduation from U of O, Gerry Bowden has been with the J.C. Penney Company.

Since joining Penney's management training program in Eugene in 1955, Gerry, in addition to military service in 1956-57, has headed several departments in the Eugene store. In 1965 he was promoted to Merchandiser of Children's Lines in the Portland district office.

In '69, Gerry returned to Eugene to become assistant manager of the

promotion to Eastport, where he will be the store manager.

One of the first projects of Mr. Bowden's position here at Eastport will be a major remodeling of the mall level floor. This will include new carpets, fixtures and other improvements.

Gerry and his wife Marian have three children; Barbara, who works Payless in the Seattle area, Andy, who will be attending the U of O this fall, and David, who will be a senior in high school this year. One of Mr. Bowden's favorite activities is watching his boys participate in sports like soccer and basketball and also dramatic productions. As a family they enjoy water skiing, and he likes to golf.

DICK SCHIMMEL

Eastport Plaza recently said goodbye to one of its most loved members, Dick Schimmel. For years, Dick has been the man at the helm of the plaza's J.C. Penney store. While bidding the retiring Mr. Schimmel farewell, Eastport would like to salute his warm, caring attitude toward his customers, employees and associates as the epitome of class in the retail industry.
