WHY KNOCK ON WOOD?

We will all have to face the runaway cost of living in the years to come. Nothing will change that. But you CAN insure yourself against financial insecurity by making an investment now. An investment in trees... and hills... in a piece of land suitable for building now or later. No investment is more secure.

We still have some outstanding 5 acre parcels available within a 30 mile radius of Portland... AT AFFORDABLE TERMS! Knocking on wood won't assure country living in your future. Owning your own trees and land will.

Call us about an exceptional opportunity to own a home site. You'll discover that a beautiful place to live can be yours!
