

Photo by Mark Floyd

Sharon Jensen scores on a breakaway layin, one of several she had during the game. Jensen led the Sandy High girls

freshmen team to a 38-35 win over Canby, Thursday. She was the game's high scorer with 24 points.

Durbin

The opportunity to work in a National Forest, National Park, wildlife refuge or research laboratory is being offered high school seniors graduating in 1981 through an Izaak Walton League recruitment program to promote the interest of young people in conservation careers.

The program, begun in 1963, is presented in cooperation with the U.S. Department of the Interior and the U.S. Forest Service. In 1980, some 78 positions were filled by the program. Jobs offered students include employment as fire and brush crews, survey teams, and lab assistants.

Applicants should be interested in a career in natural resources and conservation, have demonstrated potential for leadership and scholastic ability and must be in good health and, in most instances, physically capable of field work. In addition, candidates must be high school seniors expecting to graduate in 1981. The program requires that applicants be 18 years of age by June 15, 1981.

Students applying must submit the following materials for consideration: A completed U.S. Government Form 171 (available from the Federal Office of Personnel Management in each state and all federal agencies.)

A transcript of student's high school record. A written recommendation from an adult, other than family, who knows the applicant and his or her qualifications for the program.

A letter from the applicant indicating his or her college and career plans, activities in high school, previous conservation-oriented work, both paid and volunteer, and reasons for seeking employment through the program.

Applications are being accepted by Izaak Walton League Divisions all across the country. Interested Oregon students should apply by Feb. 25 to R.U. Mace, chairman, Summer Employment Program, P.O. Box 3503, Portland, OR 97208.

The Izaak Walton League of America is a national organization of more than 50,000 members, dedicated to the conservation and wise use of natural resources.

Those hunters interested in antelope, cougar or bighorn sheep may want to mark March 20 on their calendars. That's when the Fish and Wildlife Commission will meet to set 1981 seasons for those species.

The meeting will be held in the Portland headquarters of the Fish and Wildlife Department, 906 SW Mill Street, and will begin at 8 a.m.

Sandy jayvees claim first league hoop win

The Sandy High boys junior varsity basketball team won its first league game of the season Friday, topping Estacada 46-42.

Sandy rallied from a three-point deficit in the third quarter to take the road victory. Pete Schmautz led the Jayvees with 10 points.

Sandy lost a tough 56-54 contest to Sweet Home Tuesday night. The Jayvees jumped out to a 12-2 lead, but baskets came back and

led it up by the end of the first quarter.

Sweet Home led 55-54 with 18 seconds remaining, but the Jayvees had a chance to take the lead. However, they coughed the ball up and Sweet Home came up with a three-point play to ice the game.

Mike Marleau led Sandy with 21 points; Mike Lund added 12 and Chris Stavros 10.
