Reservations accepted for Roslyn

Reservations are now being accepted for the group picnic areas at Roslyn Lake near Sandy.

The Park will open April 25 for weekend use only, coinciding with the opening of trout fishing season. Group facilities, however, will not

be available until May 23.

Approximately 90,000 people used the Roslyn Lake facilities last year.

Group facilities include five picnic areas, all with access to electric cooking units and running water. A playground, horseshoe courts,

concession stand and boat rental are also there. Roslyn Lake is open to year-round fishing.

To reserve the park, contact Portland General Electric at 226-8503. Reservations will be accepted through Sept. 13.
