The Second Coming of Christ

INTRODUCTION

The second coming of Christ is the greatest theme in the word of God. It is referred to 380 times in the New Testament. And average of one verse in every 25 speaks of the Return of Jesus. Thus we can see the importance Heaven places on this subject. All down through the ages this has been the Hope of the people of God.

Listen! I Am Coming Soon!

"Christ Testimony of Second Advent"

"John 14:1-3" The promise of our Lord's return. He went back to Heaven for the purpose of preparing a place for his people. He return is assured by his Ascension.

"The Angel's Testimony"

"Acts 1:9-11" The Ascension of our LORD from the Mt. of Olives was witnessed by his Disciples. Two angels appeared to the sorrowing Disciples, assuring them that the same Jesus would return in the SAME MANNER in which HE ascended. It was a VISIBLE going away; therefore, it will be a VISIBLE return.

"Second Coming Perceptible to the Eye"

"Rev. 1:7; Matt. 24:30" All who are living at the coming of CHRIST will see HIM as a real, tangible being. He will be SEEN in "HIS GLORY."
