## CINDY SAYS

By Cindy Adams

NEW YORK - Tony Orlando, who is subbing for the vacationing Jim Dale in "Barnum," is starring on Broadway just 19 blocks away from the ghetto street where he was born. A fairy tale, right?... Comic Morey Amsterdam is about to produce a movie entitled "The Man Who Made Lincoln Laugh." It's about a comic of the day who broke up old Abe. Maybe it was old Morey... Come '82 Telly Savalas will produce and star in "Freedom or Death." Telly's got an itch to get behind the camera and he's determined to begin scratching it next year.

Bill Cosby

Now, about Dolly Parton. The Riviera Hotel in Vegas is unloading its highest salary ever for her: \$350,000 per week! From Dolly herself: "I need a lot of money because you can't imagine how expensive industrial bras are!" When we met she was wearing a sequin gown so tight that it would have had to wear out from the inside. I asked her if she eats before a show. Giggled Dolly: "Honey, ah ain't never missed a meal in mah life!"

From Bill Cosby: "Raising children is tough nowadays. I know because I've got five kids. You know why I've got five kids? Because I don't want six!... Is Lucille Ball writing her autobiography?... The two Desis — Desi Arnaz Jr. and the papa, Desi Arnaz Sr. — waltzed through a hotel lobby together. Everybody mobbed Junior... Tom Jones
