

Car Care Guide

The title 'Car Care Guide' is rendered in a large, bold, stylized font. The word 'Car' is in a blocky, sans-serif style, while 'Care' and 'Guide' are in a more flowing, cursive script. The text is surrounded by various line-art illustrations: a van with a person standing by the open side door, a person kneeling to work on a tire, a car with its hood open, and several cars with their trunks open, with people loading or unloading items. The background features stylized stars and stripes.
