To Sandy Residents and Visitors:

I would like to personally extend a warm invitation to you to attend the Sandy Mountain Festival activities during our annual Mountain Festival Days, July 9 through 12. Each year our City looks forward to the festival, when we can extend our sincere welcome to the thousands of area residents and visitors who partake in the Mountain Festival Days.

The Festival, which has been in existence for eight years, is intended to instill a community spirit in our city, and I would hope that everyone can get involved in some part of the Mountain Festival activities. Again this year many of our residents have been spending much of their time in the preparation stages to make the festival an even better event than in previous years. This year it is again filled with activities, starting with the parade on Thursday evening and continuing that evening with a "Moonlight Madness" sale in the downtown business area. In addition, this year's activities include the Almost 10 Kilometer Run, the choker baseball games, a black powder shoot, the carnival, bicycle races and the annual Sandy bed races which take place on Pioneer Blvd. just before the parade.

Of course, this year's activities are again centered around the arts and crafts displays in beautiful Meinig Park. We will have over 100 booths featuring paintings, metal sculptures, ceramics, wood carvings, macrame, mobiles and anything else you can imagine. If you get tired, you can relax in front of the grandstand and listen to live music, which will be played during the entire Festival from nine different professional music groups. A special feature again this year is the wandering minstrels who will be entertaining folks as they move through the park.

I would like to personally invite you to take part in some of the activities during the Mountain Festival Days, and will look forward to seeing you at many of these events.

Sincerely,

Ruth M. Loundree
Ruth M. Loundree
Mayor

Come celebrate with us!
