

## Hilly course challenges festival fun runners

For the third consecutive year, the Sandy Mountain Festival will host the Almost 10-Kilometer Run.

Sponsored by Camera Connection of Sandy, the run this year is designed to entice a record number of entries.

An entry fee of just \$3 has been set for the run, which will follow a hilly five-mile course south of Sandy. Five miles isn't quite 10,000 meters, but the race is Almost 10-Kilometers, after all. The hills should more than make up for the missing mile or so.

The race will begin at 9 a.m. Saturday, July 11 at Camera Connection. Par-

ticipants will run to Langensand Road, then down to Trubel, Bornstedt, Highway 211, Dubarko, Meinig, Barker, Gary, back to Langensand, McCormick and Wolf Drive, back to Camera Connection.

Last year's winner was Sid Christie of Gresham.

Trophies will be awarded for the top two finishers for men, women and runners under 14.

Water will be available for runners sometime near the halfway point of the race.

Persons wishing to register for the run should call Camera Connection at 668-7472 as soon as possible.

Connie Case of Mt. Hood Community College (far right) won the women's division of the Almost 10-Kilometer Run. The overall champion was Sid Christie of Gresham (right).

## 'Frontiersmen' ready for shoot

The days of the old frontiersmen will be relived July 11-12 when the Sandy Mountain Festival will present the Black Powder Shoot.

Sponsored by the Barlow Trail Long Rifles, the shoot will feature old time muzzleloaders and a variety of events. Contestants will vie in the feather cut, bobcat shoot, axe and clay pigeon shooting, card split, Hawkens shoot and quick load shoot in competition for overall winner.

There will also be special events, such as a cannon shoot, rifle raffle, pistol and revolver competition, a keg throw, costume contests and an axe throw. The costume contest will feature both military and non-military outfits.

Registration for the shoot will take place beginning at 8 a.m. each day at the site of the contest, the Cedar Ridge athletic field. Registration may also be handled by mail prior to the event.

Competition will begin at 10:15 a.m. each day. A number of prizes will be offered, included a rifle for first place overall winner. Trophies and pistols will also be awarded.

Overnight facilities are available for persons traveling long distances.

A number of rules have been set to insure the safety of the participants. They are:

No polypatches; no unexposed ignitions; open iron sights only; cap only on the firing line; load only in designated area; flintlocks load only on the firing line; revolvers must leave one empty chamber; no loading directly from flask or horn; any clearing of rifle or pistol must be done on the firing line; smoking in designated areas only; no alcoholic beverages; all cannons will be checked for safety; muzzleloaders only in all events.
