KUBOTA
Kubota built the thrifty little B5100 Tractor with economy in mind. But they didn't economize on its features. It has a sturdy 12 hp 2-cylinder diesel engine, standard rear PTO, 6 forward and 2 reverse speeds, hydraulic 3-point hitch, independent rear brakes, differential lock, and your choice of two- or four-wheel drive.
It can handle a mid- or rear-mount mower, rotary tiller, plow, disc harrow, and rear blade. Not to mention a tight budget.
