KRDR was Country when Country wasn't cool.

In 1963 KRDR became Oregon's first 24 hour country music station, so KRDR was indeed country when country wasn't cool.

Country music has changed a great deal since then and so has KRDR. Because we were first, we understand both the old country music and the new country music. We can wear the old western boots and the new Urban cowboy boots as well.

You can be the final judge of whether country is cool, but to hear true country music programmed by people who grew up with it and who really know it, tune to KRDR - 1230-AM.
