

Good 4th gets Sandy past JHS

by SCOTT NEWTON

The fourth quarter was all Sandy Union High School's last Thursday night, with the Pioneers defeating a team that was ranked 19th in the UPI coach's poll.

"The kids played well," Coach Greg O'Meara said about the 8-6 win over Jackson at Civic Stadium.

"We had some mental mistakes at the start, but the kids cleaned those up as we went along."

"The running backs did a good job of cutting in and around there. They had the holes."

Jackson quarterback Blake Smith connected on a long pass with Greg Mickey

to set up Jackson's second-quarter touchdown, which was run in by Steve Jackson from three yards out on the next play.

Both teams threatened to score and failed before Sandy senior Dan Martin blocked a punt, which gave the Pioneers the football on Jackson's 40-yard line.

It was a 23-yard run by senior Bryan Noe in the closing seconds of the third quarter that set up the SUHS score.

Noe's run got the Pioneers to the 12-yard line, but it wasn't until fourth down and six, on the eight-yard line, that junior Chuck Kearney

Effort was good against Jackson

finally scored the game-tying touchdown. All in all, Kearney carried the ball 26 times for 112 yards.

Naturally, Sandy lined up to kick, but the fans were somewhat surprised to see quarterback Mitch Paola looking for a receiver. He ended up pitching out to Noe, who carried it in for the 8-6 advantage.

O'Meara later explained that they were indeed going for the one point, except that the snap from center was a little off, so they went with their "fire play." O'Meara

was pleased with the way the players kept cool under pressure.

The Pioneer defense was stingy during the 10 minutes left in the fourth quarter. Junior Bill Bowman broke up one long pass, and junior Russell Fork broke up a couple more.

"He did a good job at defensive safety," O'Meara said about Fork. He also praised senior Tim Sytsma for his defensive play.

Martin played well offensively and defensively, he said.
