Peanuts holiday

The Peanuts gang add their own special flavor to America's oldest holiday when Charlie Brown and his peers get together to celebrate "A Charlie Brown Thanksgiving," to be rebroadcast Monday, Nov. 23 on CBS. Artist-writer Charles M. Schulz won an Emmy award for the special in 1973.

The story, which is concocted around a rather novel Thanksgiving meal of popcorn, potato chips, jelly beans, buttered toast and ice-cream served at Charlie Brown's backyard Ping-Pong table, starts when Peppermint Patty invites herself and assorted others to Charlie's place.

The hospitable title star is too polite — or "wishy-washy" as his Peanut peers call him — to refuse her. So, with the help of Linus, Snoopy and Woodstock, Charlie Brown devises the most novel Thanksgiving menu since 1621.

Not only do the Peanut guests have a happy, haphazard garden party of sorts, they also discover that the holiday is for thinking and thanking, as well as for eating.

12 **12** Good Times
