

# • MEDICAL • DENTAL DIRECTORY

In our fast paced world the tradition of the "family" doctor and/or dentist has been ignored as people move from one location to another. We feel that the Gresham area has a vast amount of medical and dental talent to offer the residents. We urge you to utilize this talent for general and preventive medicine or dental care for you and your family.

| FAMILY MEDICAL                                                                                                                                                                                                                        | FAMILY MEDICAL                                                                                                                                                                                                                                                                                                                                                               | FAMILY DENTISTRY                                                                                                                                                                                                                    | FAMILY DENTISTRY                                                                                                                                                                                                                                                                                          |
