tv facts

DAISY TIME — My girlfriend and I are trying to remember the name of the female star of the old TV series "Please Don't Eat the Daisies." I say it was Patricia Neal and she says it was Doris Day. Can you help us out? — Elerie Hazelton, Jacksonville, N.C.

Both of you are mistaken. Patricia Crowley played the lead in the TV version in the NBC series which aired in 1965. Doris Day played the lead in the 1960 film version of the Jean Kerr book.

WONDER-FUL — How does Lynda Carter change into "Wonder Woman"? — Shari Julson, Beloit, Wis.

Through the magic of camera techniques. They can photograph her in one costume, stop the film, have her change and then photograph her in her Wonder Woman costume. Then they blend the two together through modern technology.
