

## Family crew takes Dry Dock reins

New Dry Dock Restaurant owners Lois and Rene Selig have overhauled their seafood and spaghetti eatery from the menu down to its kitchen and storage.

The couple have purchased the restaurant upstairs in Sandy's Wheatland Building at Heritage Square from Dave and Kris Carey, who now operate a video store in Sandy.

Lois has fine-tuned the menu, while carpenter husband Rene added new cabinets, shelves, waitress station and a new ice-cold salad service area in the kitchen.

Operating the upstairs restaurant, however, is strictly a family affair with daughters Karen, Shellie and Danielle pitching in.

The Seligs continue to feature seafood and spaghetti, but daily lunch specials and dinner additions spice up the menu. New dinners include salmon steak, steamer clams, deep-fried crab legs plus captain's and admiral's combination plates. Crab louis, shrimp louis

and oyster stew round things out.

The Seligs bake their own bread and corn-

bread, and soon will feature a new original recipe for "Dry Dock spaghetti."

Prior to purchasing the restaurant, Lois Selig worked as manager at Dry Dock.

**THE SABBATH**

**The deep significance of the Sabbath in the plan of redemption.**

*Listen! I Am Coming Soon!*

Sabbath-keeping is an act of LOVE and not a LEGAL duty. John 14:21, 23, John 15:10, Rev. 22:14. The ordinances of Christ have a double significance. Baptism, for instance, means the death of our old man — of our past life. With regard to our future life, it means the birth of a new man and the beginning of a new life. The Lord's Supper points back to the cross of Christ and forward to the second coming of our Lord Jesus.

The first marriage celebration in the Garden of Eden meant the union of husband and wife, but it was also a prophecy (Gen. 2:24) which referred to Jesus, who left the Father and became man, that by his life and death He may redeem for Himself a wife, His Church; Eph. 5:31, 32.

In the same manner, the Sabbath has a double significance. First, it means spiritual and bodily rest. Second, the Sabbath has a prophetic meaning which points to the NEW EARTH, where there will be a union with the Trinity, eternal rest and harmony! Jesus, the Creator, knew before creation concerning man's fall, of the great apostasy of mankind, the destruction of this earth and the creation of a new earth where the Sabbath rest will be respected. This is the plan, this is the goal toward which the creation hastens. Heb. 4:9, 11; Isa. 26:2, 4; Isa. 66:22, 23. YOU MUST BE THERE!

To be continued. . .

**R**etirement. Are you ready for yours? A comfortable retirement isn't something to hope for. It's something to plan for. Today. That's why IBS is ready to help you with a new Individual Retirement Account program beginning January 1, 1982.

At that time, IRAs will be available to all wage earners, even if you already have a pension plan.

*The new IRA. It's good for you.* What you want to contribute to your retirement is up to you. An IBS plan can start as low as \$50 per month. By law, a single person will be allowed to deposit up to \$2,000 a year; a working couple can set aside \$4,000 and \$2,250 a year is allowed for couples with a non-working spouse. And best of all, you don't pay federal taxes on the money deposited in your IRA. Federal tax on the interest is paid only on the amount withdrawn each year of your retirement.

*A retirement plan you can depend on.* IBS is offering a fixed rate IRA at 12% interest for 30 months. This interest rate is comparable to variable rate plans and gives you the added security of a *guaranteed* interest rate on your money.

Keogh plans are also available for IBS customers who are self-employed.

*Plan for your tomorrow . . . today.* Now is the time to start planning your retirement. No matter what your age is. And at IBS we're ready to help.

We'll be glad to explain all the different IRA options to you and help you decide what is best for your future.

Stop in today and be ready for tomorrow.
