Seminar on youth set

The Oregon City school counselors will sponsor a three-part seminar dealing with the psychology of adolescence.

The presentations will be made by Dr. Mary Rinsky and Dr. Jake Cooley. Both are clinical psychologists at the Willamette Valley Family Center in Oregon City.

The first presentation will be held on Jan. 27, and

will cover the psychological changes and adjustments that take place during adolescence. Typical value systems and behavioral patterns will also be explored.

The second presentation, which is scheduled for Feb. 10, will focus on the problems that families face as they attempt to adjust to adolescent demands, behaviors and problems.
