# Drawing contest complements play

The visual and performing arts will combine this weekend to add color to the Community Theater as the Sandy Community Players' production, "Butterflies Are Free," opens a three-week run.

The following two weeks, winners in a local elementary school art contest will be on display in the lobby.

On opening night, Jan. 22, the audience will be greeted with a moving vision in the theater.

Students from Leslie Crockwell's advanced art class at Sandy Union High School have created mobiles of butterflies in a variety of media.

Students from SUHS and SCP have worked closely on several productions and the art project is an example of the cooperation between the school and theater to bring the Sandy community quality performing arts, according to SCP members.

SCP board members will judge the mobiles and prizes will be awarded for first- and second-place winners.

In addition to the high school project, SCP is sponsoring a drawing contest for children, ages 6-12, with the support of local merchants and the elementary schools.

Throughout this week, children are being asked to show off their artistic talents by drawing pictures of butterflies. Any standard art medium may be used, such as water colors, chalk or crayon.

Entry blanks may be obtained at most schools or at one of the following Sandy merchants: Clackamas County Bank, Dairy Queen, Independent Bank of Sandy, Sandy Rexall, Sandy Sentry or Williams Thriftway.

Entries must be returned by Wednesday, Jan. 27, to one of the participating merchants. Children will be judged in three age categories: 6-7, 8-10 and 11-12. A child may enter more than once, but may win only one prize. Children are asked to work without outside assistance. Judges will be SCP board

members and winners will be notified by telephone on Jan. 29. Winning drawings will be displayed in the lobby of the theater the weekends of Jan. 29-30 and Feb. 5-6. Other entries may also be displayed.

Prizes will be given for the first three places in each age category. Prizes and donors are: first place, two free tickets to "Butterflies Are Free" from SCP; second place, an eight-pack of pop from

Williams Thriftway; third place, a gift certificate from Dairy Queen.

All winners will be invited to meet the cast of "Butterflies Are Free." For more information, call 668-7737.

## Portland Timbers host Sandy High pep band

Usually when musicians sit down to play, they aren't overly concerned with playing soccer balls.

However, 60 Sandy High School musicians could have been excused if they felt a little shell-shocked after their last performance.

The school's wind ensemble, "plus a few freshmen," under the direction of Steve Christensen, performed last Saturday at Portland Memorial Coliseum during the Portland Timbers' indoor soccer game against the San Diego Sockers.

"We sat in the end zone," Christensen said. "The kids really liked it because they were dodging balls the whole game."

There was one casualty when a clarinet was broken after its player was struck by an errant ball.

The performance came about when the Timbers' front office sent a letter to high schools in the Portland area asking who would like to perform at a game. Sandy High officials responded positively and through a process of elimination, the Sandy band was selected.

Christensen said the band played its pep band material and didn't have too difficult a time filling the huge coliseum with

sound. "People who were sitting at the other end (of the coliseum) had some nice things to say," he said.

Their next appearance with the Timbers may prove a bit more challenging when it comes to filling the arena with sound.

As a result of Saturday's performance, the Sandy band will appear at an outdoor soccer game in Portland's Civic Stadium.

## THE SABBATH

### Was the original Sabbath lost?

**Neh. 9:13, 14**  
Christ made known the Holy Sabbath. If the people had lost track of the Sabbath Day, He made it known by a three-fold miracle, which was wrought every week for 40 years (the manna for food). Israel was brought out of Egypt to serve God. The people could not serve Him in Egypt, as they were compelled to work seven days a week.

**Ex. 8:1**  
Pharaoh refused to allow them to rest or to keep the Sabbath. God led them out of Egypt to prove them on the fourth commandment. The Sabbath was the great test, and so it is today. He is proving His people now on this point of truth.

**Ps. 105:53-45**  
Did the people know which was the seventh day? If they were confused as to the proper day to be observed, God now sets events in motion that would forever clear the matter regarding the Sabbath and which day it is. For the Sabbath-day celebration was given in the Garden of Eden to the whole family of mankind.

## Retirement. Are you ready for yours?

A comfortable retirement isn't something to hope for. It's something to plan for. Today. That's why IBS is ready to help you with a new Individual Retirement Account program beginning January 1, 1982.

At that time, IRAs will be available to all wage earners, even if you already have a pension plan.

*The new IRA. It's good for you.* What you want to contribute to your retirement is up to you. An IBS plan can start as low as \$50 per month. By law, a single person will be allowed to deposit up to \$2,000 a year; a working couple can set aside \$4,000 and \$2,250 a year is allowed for couples with a non-working spouse. And best of all, you don't pay federal taxes on the money deposited in your IRA. Federal tax on the interest is paid only on the amount withdrawn each year of your retirement.

IT'S YOUR FUTURE...  
 WHAT ARE YOU GOING TO DO ABOUT IT?

A retirement plan you can depend on. IBS is offering a fixed rate IRA at 12% interest for 30 months. This interest rate is comparable to variable rate plans and gives you the added security of a guaranteed interest rate on your money.

Keogh plans are also available for IBS customers who are self-employed.

*Plan for your tomorrow . . . today.* Now is the time to start planning your retirement. No matter what your age is. And at IBS we're ready to help.

We'll be glad to explain all the different IRA options to you and help you decide what is best for your future.
