

Chapman receives Seascout award

Audrey Chapman, a senior at Sandy Union High School, received the Quartermaster award in Seascouts at the Quartermaster Ball, held recently at the Portland Yacht Club.

This is the highest rank awarded in Sea Exploring. Chapman is a member of Ship 640, the Sunsail.

The Bridge of Honor was performed by the Flagship of the S.E.S. "City of Roses."

Audrey Chapman

Chapman was the only person to earn this award in Oregon this year.

Chapman was designated teenager of the month for January by the Gateway Elks. The Elks honor was based on Audrey's work in Sea Scouts, as well as other activities.

Those include being vice president of the National Honor Society, pep band, wind ensemble, fourth runner-up in the Miss Teen World Pageant 1981, outdoor counselor and a German study trip to Germany and Austria in 1980.

Also in February Chapman won first place in an oratory speech contest at SUHS. For winning, she received a \$100 scholarship.

Elizabeth Joan joins Burglunds

Wayne and Joan Berglund of Sandy recently announced the birth of their daughter, Elizabeth Joan.

She was born Dec. 16 at the Bess Kaiser Medical Center in Portland.

She weighed eight pounds, one ounce, and was 19 and one-half inches long.

She joins a brother, Brian, 11, and a sister, Denise, 12.

Grandparents are Amelia Berglund of Sandy, and Mr. and Mrs. Tom deVine of Wakonda, S.D.

\$630,000 complex to MHCC

An East County apartment complex has become the first major gift to the Mt. Hood Community College Foundation.

The gift of the \$630,000 Scott Crest apartment complex by a consortium of seven owners, Neil Riegelmann, Louis Smith, Kenneth Leavens, Donald Krause, Bill Jinings, William Dietz and Jack Allen.

It was the result of after almost a year of planning and negotiation.

The 42-unit apartment complex at 13223 SE Powell Boulevard was built in 1970 to provide housing for low-income families.

The college foundation plans to hold the property for future appreciation, according to Dr. R. Stephen Nicholson, MHCC president.

"This gift is the foundation's major asset and places our efforts among the national leaders in two-year college foundations," Nicholson said.

"We hope this expression of confidence in the college will encourage similar gifts to the foundation to help ease the public's tax burden," he said.

The college foundation was formed ten years ago to raise private funds for student scholarships and faculty development.

"Foundation gifts are sought to provide an endowment which allows sufficient earnings for projects to improve teaching, student services, and the quality of programs without using the principal," Nicholson said.
