

Carpenter Excavating takes 'B' title

Don Carpenter Excavating made it a clean sweep by defeating State Farm Insurance, 61-56, and thereby capturing the "B" division championship in Sandy Recreation basketball action.

Once again it was point-man Larry Daherns who took charge, scoring 15, some of which came from breakaway layups. State Farm Insurance, playing without Mike Fitz, stayed close most of the way, aided by Scott Stewart's 12 points.

State Farm will probably get another crack at Carpenter Excavating when the teams participate in the post-season tournament, scheduled for the week of March 22.

The Sandy Stingers dealt Mt. Hood Carpet Care its first loss of the second half of the season, 59-55. The Stingers led most of the game as center Dave Williams scored 17 points. Dave Turin led Mt. Hood Carpet Care with 13 points.

In another key matchup, ADP avenged an earlier loss by zapping Obrist and Cunningham, 42-31. A close

game until the last minutes, ADP was spurred on by Dave Chamberlain's 8 points.

Top-notched Williams Thriftway poured it on Dr. Tim Ward's team, 79-53. Thriftway's Fritz Engdall

was difficult to stop, scoring 28 points, while Tim Ward scored 16.

Outscoring their opponents by five points in the fourth quarter, T-Talk Presbyterians moved into a tie for third place by downing the Sandy Adventists, 42-38. T-Talk's Steve Robinson made 14 points, nine from the free throw line. Mike Pomerence hit 16 points for the Adventists.

Blue Marlins 4th

The Blue Marlin Aquatic Club finished fourth in the Columbia Basin Swim League district championships this weekend in Salem.

Coach Carl Neuenfeldt was pleased with the accomplishments of the team this season. Again, the number of swimmers kept the Blue Marlins from being as competitive as they could have been.

Two meet records were set. Damon Hodge set one in the eight and under boys 25-yard butterfly, and

Jamie Tuttle set another in the 13-14 boys 100-yard breast stroke.

The 13-14 boys relay team finished first in freestyle and medley events.

Soccer tryout set

"Competitive" soccer players, 14 years old and younger, are invited to try out for the District Select soccer team Sunday at 3 p.m. at the MHCC soccer field at 3 p.m.

Also, certified A.S.A. umpires, or people who would like to be certified (pay is \$15 a game), are needed.

For more information call Bill at 668-5569 or Will at 668-9066.

Chess club finds a home

A unanimous vote at the March Women's Club meeting gave the Mt. Hood Chess Club permanent quarters.

The club will meet in the Women's Club building on Salmon River Road in Welches every Wednesday night at 7:30.

The chess club, formed

four years ago, is comprised of both novice and tournament players. An annual tournament is held, as are occasional skills matches against other clubs in the state.

The club is open to new players. Call Cal Bertram at 622-3952 or Dave Enna at 622-4546.

Volleyball meeting set

The Sandy coed volleyball league will kickoff its second season with an important meeting March 31 at 7 p.m. at the Sandy Community Center.

Scheduling, fees and rules will be the major topics of discussion. Games will begin the second week of April.

For more information, contact Bill Knight-Weiler at 668-5569.

A workout schedule has been set up for the Cinder Hawks track team.

CHEVROLET is alive & well in Sandy!

General Motors is making a valiant effort to reduce new vehicle prices by asking the United Auto Workers for a reduction in labor costs. At the same time, G.M. is also reducing administrative employees' paid fringe benefits and asking suppliers & all parties contributing to the final vehicle cost to share in these price reductions — including all G.M. Dealers. To help "Get America Moving" Chevrolet Motor Division & Carlson Chevrolet are offering a \$750 REBATE on all new Citations, Cavaliers, & all Chevrolet 1/2, 3/4, & 1-ton trucks including Blazers, Suburbans, Vans, Step Vans & El Caminos. Of this \$750, Chevrolet pays \$552.50 to the buyer as a rebate or as part of the purchase payment.

Of the \$500 REBATE on all new Chevettes, Celebrity's, Luvs, & "S" Trucks, Chevrolet pays \$375, which would be your net savings. This rebate offer expires March 31, 1982, & is in addition to the LARGE DISCOUNTS always in effect at Carlson Chevrolet! These savings apply to both 1981 & 1982 new qualifying cars & trucks — whether you purchase or lease!

In our 13 1/2 years experience in Sandy, the present rebate program by Chevrolet Motor Division represents the LARGEST SAVINGS on the greatest number of models for the longest length of time!

This rebate program has done wonders to instill buyer confidence to invest in new Chevy cars & trucks. We urge you to seriously consider taking advantage of this rebate program, because after April 1, the same vehicle will cost you either \$375 more or \$562.50 more — depending on the amount of rebate on the model of your choice.

WE want to be your Chevy Dealer, & we'll do our best to justify your confidence by offering lower prices on a larger selection with greater service. We're going all out FOR business — not out OF business!
