# VITA provides tax assistance

Taxpayers can get free help with their basic income tax returns through the Volunteer Income Tax Assistance program located at the Mt. Hood Community College Maywood Park Center from 9 a.m. to 5 p.m. Fridays through April 9.

Sponsored by the Internal Revenue Service, VITA is especially designed to provide free assistance to taxpayers who cannot afford professional tax help, particularly those who file short forms and qualify for the earned income credit.

VITA volunteers also alert those taxpayers and low income elderly, handicapped and non-English speaking people to special credits and deductions for which they may be eligible.

These include child care credit, the tax credit for the elderly and deductions for certain medical and dental expenses.

Taxpayers visiting the VITA center should take the proper papes including state and federal tax packages, W-2 wage and earnings statements from employers, interest statements from financial institutions, a copy of last year's tax return, and any other information about income and expenses during 1981.

# Park cleaned, eight bags filled

Brownie Troop 981, which serves the Mt. Hood area, recently instituted a monthly clean-up program for the grounds of Zigzag's Hoodland Park as a community service.

Troop co-leader Marilyn Giuntini said that the 17-member Brownie group recently conducted its first clean-up of the park area, which included the tennis courts, play and picnic areas and parking lot.

Giuntini said that troop members who participated in the clean-up will be eligible to earn a community service patch.

In addition to the community service patch, Giuntini said that it also helped to teach the Brownies how to be responsible for community property, and clearly illustrated the problem with litter.

She said eight large garbage bags were filled with what she called "absolutely everything."

The clean-up netted such things as discarded food, clothing, shoes, paint cans of assorted sizes, cans, bottles, as well as broken window panes and broken wine and beer bottles. Also, piles of cigarette butts from motor vehicle ashtrays that were emptied out in the parking lot were picked up.

"You name it, they picked it up," said Giuntini, "and fortunately they did. Their efforts will help set a good example for others, showing them how they should leave the park after they use it."

Dawn Morrison, who is also co-leader for the troop, said that she was especailly happy with the efforts of the Brownies because the area is also used by the Mt. Hood Pre-school Cooperative.

**NOTICE OF REALTY ACTION NON-COMPETITIVE AGRICULTURAL LEASE PUBLIC LAND IN CLACKAMAS COUNTY OREGON BUREAU OF LAND MANAGEMENT U.S. DEPARTMENT OF THE INTERIOR**

The following described public land (Revested Oregon and California Railroad Grant Land) has been examined and identified as suitable for lease under Section 302 of the Federal Land Policy and Management Act of 1976 (90 Stat. 2762, 43 U.S.C. 1732):

Willamette Meridian, Oregon
T. 2 S., R. 4 E.
Section 35, metes and bounds within the SW 1/4 NE 1/4, SE 1/4 NW 1/4 Containing 15.74 acres

The purpose of the lease is to allow the development of the public land for agricultural production. Country Squire Airpark (CSA) has been issued an airport lease (OR 23999) on the above-described land for an approach slope and clear zone. Under the terms of the airport lease, CSA will be required to clear and maintain the lease area. The production of low-growing crops represents the most productive use of the land. Because of the investment to be made by Country Squire Airpark to clear the lease area and to maintain it, the land will not be offered for lease through competitive bidding. It will be offered for lease directly to CSA at the appraised fair market rental value.

The lease will be consistent with the Bureau of Land Management's land use plan and will not conflict with any State or local government programs or regulations. The lease will have a term of 20 years with the right of renewal. This term coincides with the airport lease.

Detailed information concerning the lease, including the planning documents, environmental documents, and the record of public comments, is available for review at the Salem District Office, 1717 Fabry Road S.E., P.O. Box 3227, Salem, Oregon 97302.

For a period of 45 days from the date of this notice, interested parties may submit comments to the Salem District Manager, P.O. Box 3227, Salem, Oregon 97302. Any adverse comments will be evaluated by the State Director who may vacate or modify this realty action and issue a final determination. In the absence of any action by the State Director, this realty action will become the final determination of the Department of the Interior.
