THE SABBATH

Those who regard Sunday as their day of worship believe that the NEW TESTAMENT supports them in observing it. Many clergymen lead their hearers to believe that the SCRIPTURES sanction the first day of the week (SUNDAY). HERE ARE FORTY BIBLE FACTS CONCERNING THE FIRST DAY OF THE WEEK:

1. The very first thing recorded in the Bible is work done on SUNDAY, the first day of the week. (Gen. 1:1-5.) This was done by the Creator Himself. If God made the earth on SUNDAY, can it be wicked for us to work on SUNDAY?
2. God commands men to work upon the first day of the week. Ex. 20:8-11. Is it wrong to obey GOD?
3. None of the patriarchs ever kept it as a HOLY DAY.
4. None of the Holy prophets ever kept it as a HOLY day.
5. By the express command of GOD, His holy people used the first day of the week as a common working day for 4,000 years, at least.
6. God Himself calls it a "working" day. Ezekiel 46:1.
7. God did not rest upon it.
8. HE never blessed it.
9. CHRIST did not rest upon it.
10. Jesus was a carpenter (Mark 6:3), and worked at his trade until He was thirty years old. He kept the Sabbath and worked six days in the week, as all admit. Hence He did many a hard day's work on Sunday.
