CONTESTANT #4

### Brenda Christine Jones

Brenda is the 18 year-old daughter of Donald and Anna Marie Jones. She is a 1982 graduate of Sam Barlow High School and plans to attend Mt. Hood Community College. During high school, she was on Honor Roll for three years, a member of the marching band, pep band, flag team, symphonic band, varsity golf team, varsity rally, student council representative and attended Wilco League Solo Contests. She enjoys golfing, stamp collecting, jogging, baseball and volleyball. After completing two years at Mt. Hood Community College, Brenda plans to transfer to Oregon State University's engineering school. She has chosen a career in engineering because it is a career where both math and science skills are used and she enjoys both. She would eventually like to become a chief engineer for a large chemical plant. For her talent presentation, Brenda plans to play a flute solo. Brenda is sponsored by Mary Kay Cosmetics.
